

IDEA10 **Learning futures: technology challenges**
Session: **Can we build it?**

UNSW Background – what we're doing

Michael Kirby-Lewis (Kirby)
Director IT at UNSW

11 March 2010

What's changed at UNSW?

Old way (2005/06) ... E-Learning	New way (2009/10) ... Technology enabled Learning & Teaching
E-learning (“E” focus)	Learning & Teaching focus
On-line vs  to 	Both  to  and on-line
Single standard ‘need’	Multiple needs
Single Technology (LMS)	Multiple/Integrated Technology
3-4 year refresh cycle	Continuous evaluation/adoption
R&D outside ‘enterprise wide solution’ – disparate	R&D supported & facilitated within solution – integrated
Training on how to operate LMS	Pedagogical development
